

COLLECTION WALLPAPER

by Fabienne Fabre

«Discover our latest product to transform your interior»

We are pleased to share with you that we now offer bespoke, luxury wallpapers, made just for you, to help you interpret your dreams.

ADVANTAGES

Product:

We use fibreglass wallpaper, an excellent base for paint and a durable, tear and flame-resistant material, perfect for any area of your interior.

We can create your design on rolls or on panels, whatever suits your specifications, we will help you design your dream interior.

Bespoke solution:

Each project is personalised to our clients' standards and wishes, using a wide range of colours, textures and materials.

Select your wallpaper on our website with your dimensions, we will send you a quote. We also offer one-to-one consultations to discuss your ideas, to provide advice and inspiration for your unique project.
